Executive Summary

Sunil Yadav is a pioneering technology entrepreneur based in Nepal, building scalable platforms across on-demand food delivery, quick commerce, and cloud kitchens. With a relentless focus on solving daily operational friction through technological excellence, Sunil has built BhojMandu into one of the country's most recognized on-demand food delivery ecosystems.

Key Ventures & Portfolio

BhojMandu Food (2020 – Present)

On-demand food delivery platform connecting thousands of daily customers with renowned restaurants and cloud kitchens across Kathmandu Valley.

Quick.Gro (2024 – Present)

Rapid grocery and daily essentials delivery platform delivering hyper-local convenience through smart inventory nodes.

BhojMandu Gifts / Giftdurbar (2022 – Present)

Online gifting and celebration logistics delivering cakes, flowers, and personalized gifts across Nepal.

Royal Cloud Kitchen (2022 – Present)

Multi-brand culinary operation optimizing food production and logistics for high-volume delivery.
